CBLMHLHA-1E

Overview

The V7 MHL Adapter - enables you to connect any MHL-enabled smartphone, tablet PC or other mobile device to HDTVs, monitors or projectors that have an HDMI® connection. This adapter is a simple plug-and-play solution for viewing your photos and video and other mobile device content on a large display. The adapter supports 1080p output resolution and 7.1 channel digital audio, to deliver on both quality and convenience. This compact, active adapter offers a Micro USB port on the side, for the added benefit of simultaneously charging your connected mobile device.
